### **About Exco**

Exco Technologies Limited is a global supplier of innovative technologies servicing the die-cast, extrusion and automotive industries. Our various businesses directly support the electric vehicle revolution and contribute positively to global sustainability goals. Through our 16 strategic locations in 7 countries, we employ about 4,900 people and service a diverse and broad customer base.

### **About Sidoti & Company**

For over two decades, Sidoti & Company (<http://www.sidoti.com>) has been a premier provider of independent securities research focused specifically on small and microcap companies and the institutions that invest in their securities, with most of its coverage in the \$100 million-\$5 billion market cap range. The firm's approach affords companies and institutional clients a combination of high-quality research, a small- and microcap-focused nationwide sales effort, broad access to corporate management teams, and extensive trading support. Sidoti serves 500+ institutional clients in North America.
