About Exco Technologies Limited:

Exco Technologies Limited is a global supplier of innovative technologies servicing the die-cast, extrusion and automotive industries. Through our 20 strategic locations in 9 countries, we employ approximately 5,000 people and service a diverse and broad customer base.

About Sidoti & Company

For over two decades, Sidoti & Company (http://www.sidoti.com) has been a premier provider of independent securities research focused specifically on small and microcap companies and the institutions that invest in their securities, with most of its coverage in the $100 million-$5 billion market cap range. The firm's approach affords companies and institutional clients a combination of high-quality research, a small- and microcap-focused nationwide sales effort, broad access to corporate management teams, and extensive trading support. Sidoti serves 500+ institutional clients in North America.
